Rochester Institute of Technology

# MATJOHNSONBAUGH

MOTION DESIGN / ANIMATION / EDITORIAL

## PROFILE

An enthusiastic artist with an abundance of creative flexibility and technical knowledge. Works well independently, collaborates effectively, and consistently delivers high-quality results. Frequently acquires new skills and is always motivated to create new and exciting content for that next client.

## WORK EXPERIENCE

**2022 - 2024**

**Motion Designer and eLearning Developer**

**Leidos**

Worked with instructional designers and subject matter experts to create media rich courseware. Motion graphics, 3D animation, and UI design and layout skills, along with authoring content in Articulate Storyline, were used to deliver the courseware to the client. Efforts were integral in completing a ramp-up effort to create five Intelligence courses for the USAF as part of a \$1.5M effort.

**2011 - 2022**

**Senior Motion Designer, Videographer, and Editor**

**Indigo Post**

Created motion graphics, animation, and content for diverse clients and projects. Presented concepts and designs during client meetings and internal reviews. Most projects required a combination of videography, motion design, 3D animation, compositing, editing, and color grading. Directed a client shoot and assisted on others. Efforts helped sustain business growth for over a decade.

**2007 - 2011**

**Motion Designer, Videographer, and Editor**

**Excelsior Media**

Designed and created content for a production company. Provided motion design, graphic design, videography, editing, and DVD authoring. At the time, guided the company's transition to HD content production and delivery in addition to creating motion design content standards.

**2004 - 2006**

**Creative Director and eLearning Developer**

**Kadix Systems**

Managed a small creative team while designing motion assets for interactive FBI foreign language training courses. Designed and created assets for trade shows, company collateral, and promotional videos. Maintained company branding standards.
